

Capture

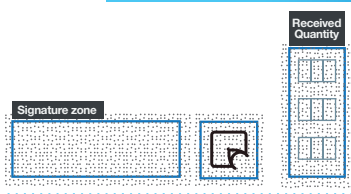

Objectif Lune Software
Powered by PlanetPress®

HOW IT WORKS

1/CREATE & PRINT

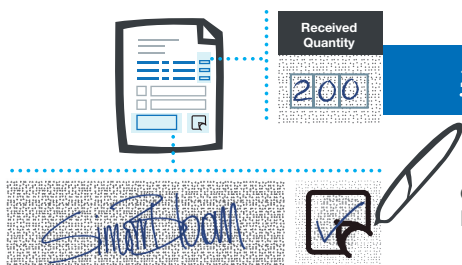

Add capture zones
where you need them.

Print On-demand,
remotely or locally.

2/CAPTURE

Capture signatures or
handwritten marks.

Read and transfer information
from the pen **instantaneously**
and **remotely** by connecting to
a mobile phone.*

ICR Feature

Interpret data such as quantities,
dates, time, part-numbers,
post codes, meter readings, etc.**

*Bluetooth® available with version 7.4. and higher.

** ICR available with version 7.5.

3/TRIGGER

Set-off business processes
instantaneously:

- **Update databases & systems**
- **Print**
- **Email**
- **Fax**
- **Archive**
- **Publish to the Web**
